## SH Logistic Introducing

State Helps Logistic Services Company was established in 2012. State Helps Logistic Services Company is an independently owned and managed professional service firm, formed by a common desire to provide the highest quality of services to their clients. We exist to make a positive difference to their futures. High standards, common work ethic and clear focus make us valuable partners for a varied client base nationwide.

State Helps Logistic Services Company (SHLSC) is an Afghan-owned business with a long and successful record of supplying and transporting tools and materials throughout all 34 provinces of Afghanistan.

SH Logistic was created by a team of highly qualified engineers and business professionals who recognized underserved markets in both the logistics and construction industries. Beginning in 2012, SH Logistic demonstrated that Afghans can take a real, meaningful role in the reconstruction and future of their country.

## Our Mission

We seek to be the premier supplier of total logistics services in Afghanistan.

To achieve this - we will at all times:

- Deliver superior quality service and good value for our clients.
- Tailor our products to precisely meet the needs of our clients.

To meet these goals we will:

- Impress our clients by our responsiveness and communications and clear and honest dealings.
- We will stay close to our clients.
- Encourage team spirit, and an open management style and a process of performance measurement and continuous improvement.
- Train and retrain our staff to make full use of technology to enhance our services.

To enhance our position in the long term, we will:

- Provide a good return for our shareholders after providing for growth and re-investment based on our earnings.
- Encourage staff performance by sharing in the benefits of profit.  
Remain involved with the community as good corporate citizens advancing with our country by export led growth.

## OUR VISION

Our aim is to act as an indispensable partner to our clients by helping them build and maximize sustainable competitive advantages. We do this by helping them get their products to market quickly, efficiently, and safely. In addition to our expertly crafted and reliably delivered logistics solutions, our clients can rest assured that every interaction will be driven by integrity and respect, the fundamental principles of our business.

## Corporate Concept

Our customers benefit from a keen combination of logistics- and forwarding services, including a clear, fast, and flexible execution achieved by simplifying the process chain and minimizing the number of involved parties. We support our customers in every step of the supply chain, from consulting, concept developing, cost comparison method, project planning to the realization of all mutual set goals.

## VALUES

We strive to perform with unyielding commitment to Integrity, Honesty, Transparency, Creativity and Respect for All.
